Bulletin - Spinoff

Donald Butler

Committee Description

Purpose: To write and distribute to members summary reports on Club meetings and, where appropriate, on other Club events.

How? To have at each meeting or event a committee member who will take notes on what happened at the meeting or event and, from the notes and from any recording made draft a readable, succinct report. This report is submitted to the committee chair or designate who will edit it for accuracy, adequacy of coverage, succinctness and readability, submit it to the meeting chair and other relevant persons for comment and corrections and distribute it to Club members and other interested persons without undue delay. Distribution is by Club Runner mail and, in a few cases by Canada Post

Each Spinoff is posted to RCWO.org . The current Spinoff is available from the drop-down menu with the remainder stored in the Web Documents section

Why join this Committee? Spinoff is an important contributor to Club cohesion and provides an accessible historical record of the Club's activities and of its evolution in the wider context of the social developments in which the Club exists. For the committee member it provides an opportunity to serve the Club and to sharpen one's skills of observation, analysis and expression.

Cash Calendar Fundraiser

Revenue is generated by advertisers purchasing ads in the Calendar and by the purchase price obtained for each Calendar.

Activities/Processes

Photographs are sought from members and other photographers once a theme has been determined by the members of the Committee. Input on which photos merit inclusion in the Calendar is sought and a cover photo and photos for each month are selected. The content of

RCWO Officer and Committee Summary Descriptions

the Calendar is assembled including advertising sold by members of the Club for inclusion. Arrangements are made for the printing of the Calendar, usually completed in September and the Calendar is distributed among Rotary Club of West-Ottawa members and other Rotary Clubs for sale.

Why join?

To participate in a project that has been one of the major fundraising successes of the Rotary Club of West-Ottawa over the past 15 years, thereby helping assure the continued ability of the Club to provide assistance to those in need in the Ottawa area. Participation is a rewarding experience for this reason, but also because it affords the opportunity to participate in a project from start to finish in December when the final calendars are distributed and the success of the year's project is known.

Dictionary4Life

Linda Flynn , Ken Murray

2020 Committee Description (Club Literacy Plan 2018-21)

Vision: To continue to enhance the Dictionary4Life project within our club and promote and encourage participation in with such programs as the Free Reading Program and Ottawa Reads all while continuing expansion to other District 7040 clubs.

Purpose: The overall purpose of the project is to provide a gift of a Dictionary 4 Life (D4L) to Grade 3 youth in Ottawa schools and youth in homework clubs. As the lead club for Dictionary4Life we want to support the District literacy efforts including,

1. To increase our club efforts in support of local literacy.
2. To encourage other clubs to support local literacy by using the Dictionary4Life as a new project.
3. To encourage ourselves and other clubs to enhance/ augment/ strengthen their local literacy projects with, for example, Ottawa Reads, book donations, Free Reading Program.
4. To offer overall management of the expansion of the Dictionary4Life project to other District clubs.

HOW?

RCWO Officer and Committee Summary Descriptions

Goals: Our overall goal is to help develop the youths' vocabulary and better their language understanding, help children develop stronger self esteem, encourage familiarity with books, give "pride of ownership", and promote Rotary values to the child, family and the community.

Short Term Objectives and Responsibilities (1-3 years)

1. Provide dictionaries annually to up to 10 schools. Inform schools they can include special needs students, of any age, in their Grade 3 count for books.
2. Ensure all participating D4L clubs identify a representative, forming an informal network among clubs with the project.
3. Encourage each club to increase their D4L budgets (or take on one new school each year for next 3 years). Currently there are 11 Ottawa area schools seeking D4L project support.
4. Continue to meet with the two school board literacy coordinators/Superintendents (OCDSB, OCSB) and include special needs students as part of the discussions.
5. Provide the overall management of the project which includes gathering the estimated number of books to order, billing for orders, ordering of and payment for books, clearing the shipment through customs, shipping from Montreal to Ottawa and storage until distributed to all clubs, producing bookmarks and inside labels for each club, arranging for collection of books by clubs.
6. Maintain a financial accounting system(s) which will include the requirement of clubs to pay up-front for the books that they order as part of a December 31st order.
7. Establish a sub-committee to develop ways to evaluate the D4L project, e.g. simple 1 page exit survey left with Principals or teacher. Consider ways to either get feedback from students/parents who have received D4L books in the past 7 years.
8. Continue support with RCWO volunteers for the Ottawa Reads program (currently 7 volunteers in 2 schools). Encourage these volunteers to inform their teachers/schools of the Free Reading Program and have Ottawa Reads Coordinator follow up with the teachers/schools.

Long Term Objectives and Responsibilities (3-5 years)

1. Look at specialized schools and Special needs students as potential targets for D4L, Ottawa Reads and the Free Reading Program.
2. Engage Rotaract club(s) to support this project.

In terms of outcomes, we envision a continued enhanced relationship between youth in our community and the Rotary club. Youth will gain a very positive experience to enhance their self esteem and confidence through better literacy skills. Better performance on Education Quality and Accountability office (EQAO) exams will be possible. Better language use by all family members could result.

International Service

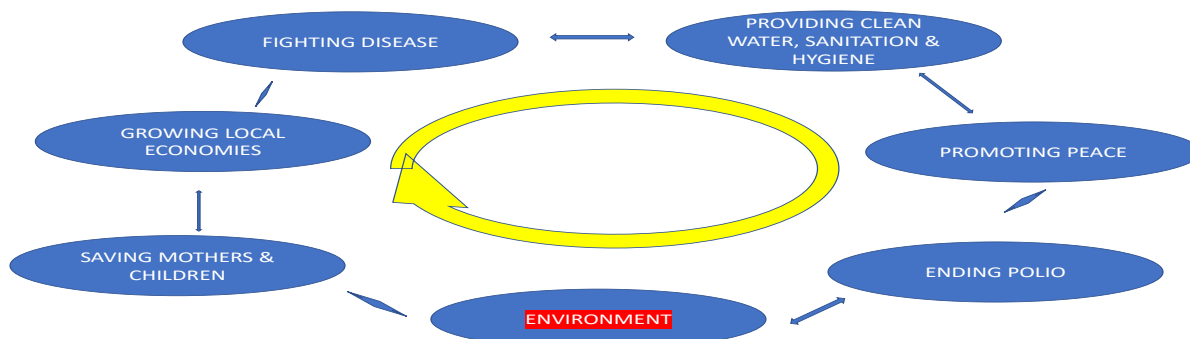

Robert Harrison , Cletus Peters

International Service Committee (ISC)
Rotary Year 2020-21

PURPOSE:

It is to assist marginalized people in eliminating poverty in the developing world through:

SEVEN AREAS OF FOCUS:

SUMMARY STATEMENT OF COMMITTEE MANDATE:

To plan, organize, coordinate and evaluate club participation in joint humanitarian projects, in general in developing countries, which will aid in the development of a better quality of life and foster international good will and peace. These projects must focus on one of the RI's areas of focus - water, sanitation, food, health, literacy and environment. With cooperation between Rotary clubs and other agencies significant projects can be implemented effectively.

ShelterBox Canada

RCWO Officer and Committee Summary Descriptions

The committee also provides, through the use of ShelterBox Canada services, temporary emergency assistance to natural disaster victims worldwide

How?

The ISC meets once each month to determine which projects should receive financial assistance with a maximum grant of \$5,000 and lesser amounts for special projects. Proposed projects are assessed according to our club's established criteria. (Go to our website for "Granting Guidelines" at <rcwo.org>)

The committee's annual budget allows for the setting aside the current cost of one ShelterBox unit for immediate deployment upon notification of an emerging international disaster. Solicitation of club members is sometimes necessary to fund more than one unit.

Why join the ISC Committee?

The question is "Why Not? It is a dynamic group of Rotarians who, a majority, have a wealth of experience in the International field. With their enthusiasm and experience, you will catch the value of developing and, yes, implementing projects throughout the world. The rewards are huge to each one of us in "doing good".¹

Program Committee

Gaye Moffett

Purpose:

To plan and organize dynamic, informative and entertaining programs for the club's weekly meetings in consultation and participation of RCWO President and Members.

How?

We make EVERY member responsible for the speaker program for their week.

Club members day would be on a rotation. The duty roster done by a member of this committee would be published in advance on the RCWO.org website. Reminder notifications would be sent out a month in advance. Rotarians would be responsible for doing the program on their week. Rotarians would be able to opt out or swap their day.

Some possible topics that the members could have:

- inviting a guest speaker from their network; or the District level;
- or giving a speech on why they joined Rotary
- or they could give their up-graded classification talk
- or they could talk about themselves
- or speak on an issue which is important to them

RCWO Officer and Committee Summary Descriptions

- or invite a neighbour to speak who has an interesting story
- or invite a friend to speak about an interesting topic

Besides the solicitation of program ideas from members, the committee reviews the topics and does the scheduling of speakers and programs the introduction and thanking of speakers. This is done in consultation with the President as there are mandatory and prescribed internal programs such as Club Assemblies, the Annual General Meeting and others as well as scheduling topics that match the monthly Rotary International Themes.

For each speaker the committee then arranges with a Club member to introduce the speaker and a member, possibly the introducer again, to curtail an over-long presentation and handle the follow-up question and answer session and thank the speaker so that the floor may be returned to the Club President (or other meeting chair) within the allotted time span.

Evaluation: Twice a year, a "Survey Monkey" a confidential survey would be sent out to Club members. Results will be available & reviewed by the Program committee

The Program Committee will vet the speaker and topic once a month.

Why join this committee?:

Well run and interesting meetings provide the fellowship which attracts and keeps Club members, reminds members of the service purposes of the club and motivates members to become involved in the Club service activities. Committee members participate in making the arrangements which make meetings interesting and get to know interesting people whom they can approach with invitations to speak to a Rotary Club, which is known to be a worthwhile audience.

Rotary at Work – To be updated

JEN SOUCY

Rotary at Work is a capacity building initiative. Through this initiative we engage individual Rotarians to help create employment opportunities for people who have a disability. This can be in their personal businesses, their corporate head offices or franchise partners or through their business connections and/or colleagues. At 7040, LiveWorkPlay, a corporate member of the club, takes the lead with this initiative. Rotarians on the Rotary at Work committee participate in LiveWorkPlay's volunteer Employment Task Force (ETF) and help to support the organization to generate jobs for individuals with disabilities in the Ottawa community. Why Join this Committee? The time commitment is minimal (5 meetings a year) and a great networking opportunity as volunteers on the ETF come from all areas of business in the Ottawa community. It's also a very meaningful contribution as committee members can see the direct results of their personal and business connections resulting in jobs for those that are severely marginalized in our community. The feeling of seeing someone succeed in their first job is amazing!
