MANDY KETCHAM

DEMENTIA

Do I have it? How do I know? OR is it??  
How do I talk to a person with Dementia?  
Are there fixes out there?  
What are my options with care?

Mandy Ketcham has been working in the Senior Care industry for over 20 years, 15 of those being at Highgate Senior Living as their Community Relations Coordinator.

Dementia was and still is the forbidden word and disease that nobody wants to talk about or admit they or a family member may have it. It has been her goal and PASSION to learn as much as she can about Dementia, how it affects the brain, body, and relationship between people.

Mandy is a certified PAC, (Positive Approach to Care), Trainer; VDT Certified Facilitator and Trainer (Virtual Dementia Tour), the only one in WA State. She is the expert resource in our valley for Dementia and Alzheimer’s

This will be a great program to bring guests to learn about this illness.
