STEVEN GUSTAFSON, ENRI GARCIA-SANCHEZ & JANE DAVIS CLASSIFICATION TALKS

This week's program will feature Classification Talks by three of our members, Steven Gustafson, Enriqueta Garcia-Sanchez, and Jane Davis. When an individual joins Rotary, they are assigned a classification that reflects the principal activity of their current or past occupation, or service to their community. The number of members with any one classification is limited; the purpose is to bring people from different fields, industries, and experiences together to learn from each other and serve their communities.

Steven Gustafson joined Rotary on January 26, 2023. Born in Colorado Springs, Colorado, Steven received degrees in business management and accounting from Western State Colorado University. He moved to Yakima in June 2018, and in June 2022 made a move from serving as a wealth management banker to his current position as a Vice President, Commercial Loan Officer at Heritage Bank.

Enriqueta (Enri) Garcia-Sanchez joined Rotary on May 18, 2023. Enri was born in Michoacan, Mexico, immigrating to the U.S. with her family at the age of 3 years old. A graduate of Davis High School, she gained a Business Management Certificate from the Foster School of Business at the University of Washington and a Nonprofit Management Certificate from Duke University. She is the Development & Events Manager for La Casa Hogar.

Jane Davis joined our club in July 2020, bringing with her a wealth of Rotary experience as a past member of the Rotary Club of Everett-Port Gardner and four Rotary clubs in Texas where she served as club president for one of them. Not new to our community, she and her husband Max first lived in Yakima for six years from 1992 to 1998. In 2019, they relocated back for Jane to return to work for Hyatt Family Facilities where she currently serves as the Nursing Home Administrator for Landmark Care.

Classification talks are a wonderful way to learn about fellow Rotarians. They are entertaining, fun, and insightful. By sharing their own stories, interests, careers, and families, Steven, Enri, and Jane continue a club tradition that goes back over 103 years.
