

Irving M. Field Grand Project for Community Enhancement

Dear Applicant:

The Rotary Club of Pullman is pleased to announce the 2020 Irving M. Field Grand Project for Community Enhancement. This opportunity is for funding projects or services that improve the Pullman Community. The “grand” in the title reflects back to 1979 when the concept was initiated by then Rotary President Irv Field with calls for projects costing up to \$1,000, or “One Grand.” Now up to \$1,500, the only criteria for submission are that the proposed projects help improve the local or broader community of Pullman in some way.

The Rotary Club of Pullman has funded over 40 projects under this program since 1979. Enclosed is a list of awards in the last 25 years.

Applications may come from the community at large such as, charitable organizations, schools, city government, individuals or Rotary Club Members. Proposals may be submitted for projects needing up to \$1,500. Download this application form and choose *save* to make it a file that you may complete on your computer.

You may submit your application digitally to Rotaryclubofpullman@hotmail.com, or hard copy to Irv Field Grand Project - Pullman Rotary, P.O. Box 335, Pullman, WA 99163.

The deadline for applications must be post marked or emailed on or before March 27, 2020.

The applications will be reviewed and the grant awarded in April 2020.

All projects submitted to the local Rotary Club may be further considered for a District Grant- Local Project through Rotary District 5080. Conditions of the grant and the application requirements may be previewed at <https://district5080.org/sitepage/grants/> . On the left, “District Grants” menu, click on item District Grant Application- Local Project. A download of the application will appear at the bottom left of the browser window. Applications to the District must be submitted by a local Rotary Club in April and the project must involve a local Rotary club.
