ROVING REPORTER

John Mozena
 -- The Mozenas recently returned from an extended trip to France, which had a serious “mess up” on the trip out. Susan’s passport didn’t comply with governmental rules as it expires less than 90s days from the end of their trip. For this reason, she wasn’t allowed to board. After a frantic 24 hours, Susan was able to obtain a passport through the State Department and joined her family abroad.
 -- Congratulations to John and Susan Mozena, who are celebrating their 56th wedding anniversary!
 -- Brandon and Carrie Elliott will soon be vacationing in the Dominican Republic.
 -- Heather Mayernik is involved in a “40 Book Club” where a book is featured through an online format. Roger Hull will soon be discussing the book Fortunes of Africa. Contact Heather for details.

TODAY’S PROGRAM

Sherry Searcy – The Bryant Searcy Scholarship Foundation

In September 2020, Wayne County Cpl. Bryant Searcy was killed in the line of duty. To honor his memory, this foundation was established, giving out its first \$2,500 scholarship in 2023. This past year, they gave out the same amount along with three \$250 book scholarships.

Cpl. Searcy touched the lives of many through his faith and force of personality. His desire for children to succeed went further than hopes and wishes so the mission of the Foundation is to continue his work through this scholarship.

Students apply with a six-page application along with a two-page essay. They need to be attending a Detroit Public School high school or a metro Detroit private or charter school and submit proof of attending a 4-year accredited college or university.

Fundraising opportunities will be presented to the Club as scheduled. To learn more, please go to www.thebryansearcyscholarhsipfoundation.com

FLOWER RAFFLE

\$580 in the pot. Although she had to leave early, Eva Habib held the winning ticket as Sarah Ollison picked for her. Congratulations!
