TODAY'S PROGRAM

Jake Nellis, the Operations Manager at Zeppelin Cleaning Services. The company was formed in 2007 and has 95+ team members. It offers four areas of clearing service: (1) air ducts, (2) dryer vents, (3) carpet and upholstery, and (4) commercial.

The benefits of air duct cleaning include reduced irritants resulting in improved air quality, reduced energy expenses, and the elimination of odors. Clean dryer vents provide better dryer performance and efficiency along with peace of mind with the reduction of fire hazards. Having clean carpets and upholstery improves indoor air quality and can extend the life of your carpet. At the commercial level, the business tailors its cleaning solutions to each customer's needs.

Mr. Nellis believes that Zeppelin Cleaning Services is an up-and-coming business with a great team that has a tremendous work ethic. For more information, go to www.zepservices.com.

FLOWER RAFFLE
