## TODAY'S PROGRAM

Taylor Mae – Creative Mornings Detroit is a local chapter of one of

the world's largest creative communities, Creative Mornings, which can be found in 249 cities spread out over 70 countries. The idea is a free monthly breakfast of coffee and croissants with live music, art exhibitions, and a speaker or speakers. Everyone involved is a volunteer, relying on sponsors and partnerships.

The chapter's purpose is to encourage collaboration for work and opportunities, amplify the talents of the creatives in Metro Detroit, channel funding for local artists and creative nonprofits, and promote the elevation of Detroit's global resurgence. The average attendance (76 to 273) and digital presence have greatly increased from 2024 to 2025. The next breakfast is on July 18.
