## TODAY'S PROGRAM

Mike Hollerbach – New Member Presentation & GPPSS Career Technical Education (CTE)

Mike Hollerbach was born and raised in Grosse Pointe and was in the last graduating class at St. Paul High School. He attended Western Michigan, where he met his wife, Nancy, is the father of two, a son and a daughter, and is the proud grandparent to his grandson, born last September.

Mike, a CPA, has had an extensive accounting/financial career with companies such as Ernst Young, The PulteGroup, Soave Enterprises, and Quicken Loans/Rocket Mortgage. Now retired, he is enjoying his grandson, golf, his home in Vail, volunteering at Corewell Hospital, and Rotary.

The GP Public Schools Career Technical Education (CTE) program provides students with the academic and technical skills, knowledge and training necessary to succeed in future careers and to become lifelong learners. It does this through courses in business administration, TV production, culinary arts, digital multimedia, education (those interested in teaching), and cybersecurity. It is looking for advisors, mentors, and those who can provide job shadowing. Andrea Gruenwald, a teacher at Parcels, heads the program. [CTE - Career & Technical Education / Information](#)
