**TODAY'S PROGRAM**

Interact Officers and our PR Intern Isabella Haindl. Kevin Cox, the Interact Club Advisor, introduced three of the Club officers who briefly spoke. The President,

Vice-President, and Secretary enjoyed the reward of seeing projects come together, including the making of blankets and preparing cards to be delivered to The Helm. The three will be studying at the University of Michigan, the University of Wisconsin, and Michigan State University, respectively. Kevn appreciates the free reign given to the Interact Club to fully embrace leadership and service.

Isabella Haindl was born in Frankfort, Germany before moving to Grosse Pointe when she was 9. At South, she played field hockey and soccer and is the class of 2024 class president. Her younger sister is a freshman at South.

She will be studying biomedical engineering at U of M and is firmly committed to joining Rotaract. With many trips to Germany to visit family, Isabella has developed a love of traveling and hopes to add to the 12 countries she has visited. She will take what she learned from Rotary with her, wanting to be part of a change in her community and society as a whole.
