TODAY’S PROGRAM

Dawn Drozd – Voting Disinformation & Misinformation and GP South Principal Moussa Hamka -- Sinking Fund Information

Disinformation is the spreading of false or misleading information on purpose while misinformation is sharing it unwittingly. When in doubt, the best strategy is to not engage with the source of the information but, if you do, have structured conversations and provide counter messaging.

A sinking fund’s purpose is to pay for specific capital projects and is restricted to pay-as-you-go repairs without the need to borrow or incur debt, like a bond would. It is funded through local property tax millages. The sinking fund request on the ballot would raise \$11.1 million dollars in its first year and would be in place for 10 years. A study conducted by the School District estimated needed repairs over that time to be \$252 million.

OWER RAFFLE

\$87 in the pot. Tim Klepp purchased the winning ticket but did not pick the joker.
