TODAY'S PROGRAM

Amanda Devaux – New Member Presentation. Amanda was born in 1987 in Mt. Clemens and grew up in SCS/Harrison Twp, with her two sisters, attending L'Anse Creuse HS. She was always considered the "social" one and only got into trouble once for giving out too many hugs.

A communications major at Saginaw Valley State, she was very involved. She belonged to Delta Sigma Pi, a co-ed business fraternity, formed a TOMS (shoe company) Campus Club, and took part on service projects at a Dominican Republic orphanage and school. She also took a semester off to work at Disney World and was a campus rep for the company afterwards.

Amanda worked at Nordstroms for 4 years before moving on to financial services and has been a Morgan Stanley wealth management associate for the past year. For fun, she enjoys concerts and musicals and eating/drinking around Detroit.

FLOWER RAFFLE

\$24 in the new pot. Tim Klepp purchased the winning ticket but was not able to pick the joker.
