CHARITABLE CAUSES TRENTON ROTARY SUPPORTS

The Trenton Rotary Club has provided support to the local community in numerous ways since its founding in 1937. That support includes providing over \$150,000 in scholarships in past years to local students, sponsoring the Trenton Interact Club at Trenton High School, supporting emerging artists and local youth theater, aiding the needs of our servicemen and women, holding an annual Family fun fair, local and international literacy projects and more.

So far this year, 2020-21, we have donated over \$3000 to the Salvation Army and Goodfellows for their 2020 Christmas gifts for children providing Science, Technology, Engineering and Mathematics toys. We have also supported: District 6400, The Guidance Center, Nicaragua Dental Clinic, Trenton Educational Foundation, Trenton Scouting (new girls troop), Destination Downriver and Downriver for Veterans.

Trenton Rotary is always looking for new members to join us as we serve locally with our Family Fun Fair, Food Pantry collections, Shred days and much more. We serve Nationally to help those in need from things like natural disasters and we serve Internationally with our medical missions and many water projects, health clinics and food distribution around the world to build sustainability for those in need.
