

When you find that perfect guy that goes on walks with you and opens car door for you:

REMEMBER BACK WHEN WE USED TO EAT CAKE AFTER SOMEONE BLEW ALL OVER IT?

MAN, WE WERE WILD...

The distance it takes for me to forget a number between 1 and 10

Classification Talk

One of the best meetings we have is when we learn more about our newer members.

Hazel joined our club on July 29, 2025

Her birthday is May 9 - the year is a secret

Hazel is retired from RBC

Hazel we need to know more!

In addition to the board members that were inducted June 23, on December 9, 2025 we also elected the following members to the Rotary Club of Coquitlam Centre Foundation Board.

President, Secretary - Malcolm Kennedy

President-elect - Lois McNary

Past President - Ron Postma

Treasurer - Stan Wylie

Director - Hazel Burnell

In order to comply with the BC societies act the board of our Foundation must be separate from our Rotary Club of Coquitlam Sunrise board.

This is similar to Rotary International and the Rotary Foundation, they are separate but joined at the hip.

Rotary Good News of the Week

Valerie Wafer - PolioPlus Committee

"Even in some of our challenging areas in Afghanistan and Pakistan, they're actually employing polio survivors to go door to door with frontline [vaccination] workers," she said. "You open the door, and your initial reaction may be to say no, but then you see somebody who actually had the disease, it's affected their life, and they're standing right in front of you. And you can see what might happen to your children if you're not immunizing them."
