Don't miss this meeting, **you** have the opportunity to help
shape the future of our club!

In a show-stopping moment at the Rotary Action Zone Summit, Canada's Minister of International Development Ahmed Hussen announced an additional CA\$ **151million** of funding for the Global Polio Eradication Initiative, bringing Canada's total contribution to the effort to End Polio Now to over CA\$ **1Billion**.

As PRIVP Dean Rohrs exclaimed, "Oh, Canada!". 
It was a very proud Canadian Rotarian moment.

Stephanie Urchick
2024- 2025
President Rotary International

"Don't misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words, It's up to you. You create the magic with every project completed, every dollar donated, and every new member."

October is Community Economic Development Month

Nearly 1.4 billion employed people live on less than \$1.25 a day. Our members promote economic and community development and reduce poverty in underserved communities through training, well-paying jobs, and access to financial management institutions. Projects range from providing people with equipment to vocational training. Our members work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
