

PEOPLE WHO CAN FINISH A SHAMPOO BOTTLE AT THE SAME TIME AS THEIR CONDITIONER ARE TRULY GIFTED

Two little boys were at a wedding when one leaned over to the other and asked, "How many wives can a man have?" His friend answered, "Sixteen... four better, four worse, four richer, and four poorer."

Karl Marx is a historically famous philosopher but no one ever mentions his sister, Onya, the inventor of the starting pistol...

I went to the hospital today I said "I've been bitten by a wolf" They said "where"? I said "no - just an ordinary one".

When I was young, I always felt like a male trapped in a female's body. Then I was born.

"Don't misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words, It's up to you. You create the magic with every project completed, every dollar donated, and every new member."

April is Environment Month

Governor's Dave's Message - April 2025

The environment is Rotary International's focus for April, and our District is joining the movement by participating in the Epic Day of Service on May 17. With \$5,000 allocated per Club area, this is a great opportunity to collaborate with local organizations and make a meaningful impact. From stream restoration to wildlife conservation, numerous partners are ready to join forces for a greener future.

On Saturday, 17 May 2025, Rotary District 5050 invites you to be part of a global movement of action, impact, and unity. The EPIC Day of Service will unite more than 2,500 Rotary Clubs and 75,000 Rotarians, community volunteers, and partners across the globe in a single day dedicated to making the world a better place addressing pressing community issues. The EPIC Day of Service is an unprecedented

day of giving back to our communities because "Service" is at the core of Rotary's mission. We use our knowledge of local issues to identify areas of need and then apply our expertise and diverse perspectives to find a solution. Rotary Clubs will work with a Project Partner who is a local nonprofit, historical organization, parks, and non-profit recreation facilities, to mention a few. Together, people create change.
