Our product has always been cleaned, sliced and packaged by a Canadian company in Abbotsford. Over the past years we have had to use strawberries imported from Mexico and California as there is not sufficient local strawberries available to meet our quantity and quality needs. Proceeds from our Strawberry Sale are used to support our many Rotary community service projects locally and we thank you for your support.

"Don't misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words, It's up to you. You create the magic with every project completed, every dollar donated, and every new member."
