Welcome
Chris Wilson

Past President Coquitlam Sunrise 2016-2017
Executive Director, KidsSport Tri-Cities

*"Families that don't have the money don't get the opportunity to participate in sports," said **Chris Wilson**, the director of KidSport Tri-Cities and a former Canadian Olympic wrestler, as well as a former Coquitlam city councillor. "Our big worry is that families aren't even considering putting their kids in sport."*

OUR STORY Since 1993

From humble beginnings and big dreams to the National stage and even bigger impact - our story has always been about kids and sport. We began as a program of Sport BC, with a goal to help families overcome the prohibitive cost of sport. Since then we've expanded across Canada, giving tens of thousands of kids each year the opportunity to participate in organized sport.

OUR VISION

We envision a Canada where all children have the opportunity to participate in sport.

OUR MISSION

KidSport supports children who need financial assistance with sport registration fees and equipment costs. We believe that the power of sport participation promotes the development of children's social, mental and physical well being. Through increasing access to quality sport programs, KidSport strengthens communities across Canada.
