**Steve** grew up in Georgetown Ontario and spent his career as co-owner of a mid sized computer company in Toronto. Since retirement he has narrowed his focus on local and international community support. Steve has served on several boards and committees in Port Hope including the Municipal Culture Committee, Parks, Rec and Culture Committee, Skatepark committee, Capitol Theatre Board of Directors and others. He has received two civic awards, the latest for philanthropy and is a multiple Paul Harris award recipient for his efforts (Port Hope, Whitby Sunrise and Beirut Cosmopolitan) and awarded the Spirit of

Rotary award in 2016. In 2018, he received the Family and Community Service award from the Rotary Club of Courtrice. His most recent award was the Bob Scott Disease Prevention award from Rotary District 7070 in June 2020.

2023 - 2024  
President Rotary International

*RI President-elect R. Gordon R. McNally calls for Rotary to create hope in the world by working for peace and mental wellbeing. He urges members to engage in tough conversations and earn the trust that's necessary to realize these values.*

**September is Basic Education and Literacy Month**

**Bob's Rotary Foundation Moment of the Week**

**WHAT IS THE ROTARY FOUNDATION'S ENDOWMENT FUND?**

Gifts to the Endowment ensure that Rotary members will have the resources they need to design and implement sustainable projects year after year. Donations to the Endowment can be made as an outright gift or a planned gift, such as a bequest in your estate. As of 2020-21, Rotary's Endowment totals US\$666.1 million and has further commitments of \$882.2 million. Contributions to this fund are invested for the future. Only current earnings from the investments are used to support Foundation programs. This approach means that people's generosity does good in the world in perpetuity.
