

Rotary is where neighbours, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change.

We Connect People

Through Rotary clubs, people from all continents and cultures come together to exchange ideas, form friendships and build professional connections while making a difference in their backyards and around the world.

We take action locally and globally

Each day, our members pour their passion, integrity, and intelligence into completing projects that have a lasting impact. We persevere until we deliver real, lasting solutions.

We Solve Problems

For more than 116 years, we've bridged cultures and connected continents to champion peace, fight illiteracy and poverty; promote clean water and sanitation, and fight disease.

The Rotary Four-Way Test of the things we think say or do

Is a test used by Rotarians world-wide as a moral code for personal and business relationships.

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?"

Rotary's Commitment to Diversity, Equity, and Inclusion (DEI)

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
