

Rotary Club of Ann Arbor North

We would like to thank you so for being our guest today. We hope that you enjoyed the fellowship and the program. As Rotarians, we strive to be well informed about the community that surrounds us. It is one of our goals to improve our community, both here and worldwide.

Our mission is to promote peace in the world through understanding one another. Our motto is "Service above Self". We conduct ourselves in life and business according to the 4 Way Test, which you witnessed at our meeting today.

As we part today to go about our separate ways, the Ann Arbor North Rotary Club would like to invite you to consider being a member of our group.

Rotary International has over 2 million members worldwide in over 185 countries. We are a worldwide "network" dedicated to doing good in the world. We are people of action.

Keep in touch. And thank you again for spending time with us. Watch this YouTube video of one of our international projects.
