

## ABOUT ROTARY CLUB OF ANN ARBOR NORTH

Our club gives you an opportunity to join together and take action on important issues affecting our community, our nation, and the world. We also have a lot of fun — whether we're socializing or working together on service project.

Member's of our club connect at the weekly luncheon and learn from business experts, political, civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

Together, we are making great things happen. We have a structure that focuses on action and positive results.

Through **PolioPlus**, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. Rotary's **ENDPOLIONOW** campaign promotes public awareness and fundraising for the program. The Bill & Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support **PolioPlus**, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.
