PRESIDENT'S MESSAGE

WEEK 26

Fellow Rotarians,

You are welcome into the 26th week in this 2020-2021 Rotary year, the week of Christmas.

Last Wednesday, 16th December, 2020, the town of Ososa was agog as it played host to our District Governor Bola Oyebade, members of RC Gbagada as well as members of RC Ann Arbor North D6380 USA joined the event via the zoom platform.

The colourful event was the distribution of cheques to traders, artisans and other small business owners in Ososa and its environs. A whopping sum of 13.5 million Naira revolving loan was disbursed to 200 beneficiaries, after they were trained on the basics of business and book keeping by volunteer Rotarians who are experts.

The upgraded and repackaged Global Grant Microcredit scheme remains the biggest so far by any Club in District 9110. Its positive impact in the area will be far-reaching. While still savouring the success of the Ososa Microcredit scheme which started some 11 years ago with one million Naira, Rotarians in our District woke up on Sunday 20th December to the sad news of the demise of PDG Olugbemiga Olowu who died in the course of serving humanity in faraway Cairo, Egypt. However, we are consoled that he lived a fulfilled, impactful and purposeful life.

On behalf of 2020-2021 Board and members of our great Club, we commiserate with the District Governor, District Leaders, members of his Club, RC Lagos Central and his immediate family left behind. May Almighty God grant us all the fortitude to bear this irreparable loss.

In the last few days, and in quick succession, the rise of the second wave of COVID-19 has attained a dangerous dimension. This has led the Lagos State Government to issue fresh directives on protocols to be observed in different sectors of the State, while also closing down some sectors.

In view of the above, I made several consultations with members of the Board and leaders of our club. The general consensus is that physical meetings should henceforth be put on hold until such a time when the curve of this sudden surge in COVID-19 cases is flattened.

In the alternative, our weekly meeting will continue to hold virtually via our dedicated zoom platform. Our zoom meeting link remains; <https://us02web.zoom.us/j/5016903784> Meeting ID: 501 690 3784 and Passcode: RCG.

The new health emergency has also affected our annual outreach to felicitate with in-patients, nursing mothers and new babies at Gbagada General Hospital on Christmas Day as this will also not hold this year.

However, we will make necessary arrangements with the management of the hospital to assist the club in distributing branded gifts to the patients, nursing mothers and staff on 25th December, 2020.

I wish to inform all members that the Board has considered and granted approval to the request made by the Sergeant at arms, Rotn. Niyi Adekunle, for dispensation to host December Board meeting on Sunday 27th December, 2020.

Only Board members will be required to attend the meeting physically while observing all COVID-19 protocols. Committee Chairmen are expected to submit soft copies of their half-year report to rcgbagada@yahoo.com on or before the date. There will be an alternative virtual option for all other members of the Club to be a part of the Board meeting.

Finally, I want to thank all members of our Club that have paid their annual dues for this Rotary year either in full or part. May Almighty God continue to provide for you. Other members who are yet to pay for this half year can still do so on or before 26th December, 2020 in order to avoid their membership being rested.

Kindly pay your dues into the Club's Polaris Bank account;
Name: Rotary Club of Gbagada
Number: 1770013352.

Till I come to this platform again next week, please stay safe, stay at home as much as possible and stay healthy.

I wish you and your families a merry Christmas, in advance.

ISOLA OGUNSOLA
President (2020-2021)

Editor's Message

LEADING BY EXAMPLE

At the start of the new week, the President-Elect of the United States of America, Joe Biden, was given the vaccine against the dreaded Coronavirus. This is one of the easiest ways of convincing people that he is a leader who believes in certain causes and he would stay with it so that other can follow his lead.

We have seen lots of leaders who have failed to lead by example. This is various rampant in the religious circles and corporate world. I will want to cite another scenario. The Editor of a business newspaper in the country blew open some can of worms lately. He spoke about the ill practices of the Publisher of the newspaper- non-remittance of pensions, abrupt decision without consulting the management team; paying weekly bonuses his own purse amongst others.

Yes, we all have a justification that the firm was founded by the publisher but he is not showing the best example for youngsters.

Unfortunately, many younger people have imbibed these traits and they will continue to do same when they start their own companies.

Leading by example is an opportunity to guide those coming behind; they would pick up the good values seen in their Bosses and carry on the great works even without a conversation. This will in turn help to make the world a greater place.

What are the things that you have done and people have made referral to the great deeds? From the Public Relations point of view, the President-Elect has done well and this will also earn him lots of media attention and accolades.

Keep showing the good works of Rotary by leading your community to do great works at this auspicious time of the year.

Enjoy all the content of this bulletin for this week.

Highest Rotary regards,

OLUTAYO IRANTIOLA

ROTARY INTERNATIONAL/DISTRICT 9110 NEWS/MESSAGES

ROTARY FOUNDATION RECEIVES HIGHEST RATING FROM CHARITY NAVIGATOR FOR 13TH CONSECUTIVE YEAR

By Rotary International

For the 13th consecutive year, The Rotary Foundation has received the highest rating — four stars — from Charity Navigator, an independent evaluator of charities in the U.S.

The Foundation earned the recognition for adhering to sector best practices and executing its mission in a financially efficient way, demonstrating both strong financial health and commitment to accountability and transparency. Only one percent of the organizations Charity Navigator evaluates have received 13 consecutive 4-star evaluations.

"Your achievement and 4-star rating will enhance your organization's fundraising and public relations efforts," says Michael Thatcher, president and chief executive officer of Charity Navigator. "This exceptional designation sets the Foundation apart from its peers and demonstrates to the public its trustworthiness."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

Changemakers United has grown into a global coordinated effort connecting social innovators and leaders from business and philanthropy. Ashoka offers regionally organized virtual events for innovators.

***Habitat for Humanity:** The housing nonprofit has continued its mission in the midst of COVID-19, making strides in advocacy, microfinancing, and community reinvestment. Its +You series brings together experts from around the world for streaming events to discuss significant issues in housing, including housing and health, the effect of the pandemic on low-income families, racial inequity in housing, and more.

***Mediators Beyond Borders International:** MBBI is encouraging people to understand that global problems require collaboration, creative problem solving, and consensus-building. It believes now is a critical time for people to use communication and empathy to reduce prejudices and stay connected. Learn how to facilitate these conversations in your community with the town hall resource guide and other online resources.

***Peace Corps:** Rotary members who have also served in the Peace Corps can help the agency celebrate its 60th anniversary by sharing their Peace Corps experience. The Through the Decades series honors the legacy, volunteers, and the communities that have been served. Help represent your decade and share a story and images about your experience as a volunteer, supporter, or host community leader or member.

***ShelterBox:** The organization is working alongside Rotary and Rotaract clubs to respond to emergency shelter needs around the world, including those caused by severe weather in the Philippines and hurricanes that battered Central America. THE GUSHING PEN

The perception that success or failure is one giant event is one of the biggest believed fallacies of our time.

I know some people who wait for this big break. Expectant. Banking for a whim that eludes them.

Unconsciously they believe that its all going to get better someday. They say something significant is going to happen to them that will change everything.

Such a posture of irresponsibility; relinquishing your personal power and surrendering it to something or someone outside of you.

I hate to be a bubble burster but bubbles don't last anyway; they are mere facades.

Success or Failure is a product of rituals. Rituals being a series of routines that you carry out consciously or unconsciously daily.

For some their routine is hitting the snooze button and for others its jumping out of bed. The point is we all have these rituals whether we are aware of them or not. These rituals are responsible for our results - success or failure.

Small steps taken consistently over a long time make a big difference. It takes a drop to cause an overflow...take that small step daily.

MY ROTARY STORY

A. MY ROTARY STORY-

I am Rotarian Adeyeye Paul Segun member of class 35 of Rotary club of Gbagada. When invited by Rotarian Bayo Erinle, I firstly needed to find out more about the beliefs of Rotary club to be sure it's not against my belief and faith.

Rotary club has given me the opportunity to meet and relate with professionals of various fields of study.

The rotary society has strengthened my support and participation in humanitarian services. Being a Rotarian has made it possible for me to be involved in philanthropic activities through my little contribution to the betterment of society. I look forward to being a PAUL HARRIS fellow. In the rotary club, my personality as an introvert is not a problem because interaction with fellow Rotarian is easy due to the friendly nature the society is based on.

I've been afforded a lot of opportunities from association to the rotary club worth mentioning that I wouldn't have come across ordinarily. Rotary club of Gbagada is a place to be, it's fun, you can't have a dull moment at Gbagada.

Yours in Rotary,
Rotarian Adeyeye Paul Segun.
