Tea and Whimsy

Metro Detroit Improv is a group of local improvisers from metro Detroit who all partake in a community improv meetup group on a weekly basis. The troupe consists of Michael Micheletti, Madeleine Bien, Steve Ainsworth, Anne Harris, Jamie Artman, Larry Danaj, and Tim Majzlik. Michael wrote the scrip and co-directed the show with Madeleine. This is Tea and Whimsy's first Public appearance, however, each member of the group has performed in a variety of different shows in the past: some instrumental some in dinner theatre and much more.

Mad Hatter Mad Men

The Mad hatter Mad Men are represented by the very talented Kevin Ryan, David Dilsizian, time Chanko and Carl Nielsen who are part of our Cabaret Cast of 25 which will be appearing at the village Theater in Canton on February 6th, 2019. This year's Cabaret "Lights...Camera...CURE!" is a fundraiser to benefit the American Cancer Society. It is our honor and pleasure to perform for you this evening!

Jeff and the Deck Chairs

The band extraordinaire, Jeff and the Deck Chairs supports not only Rotary but the entire community with their ability to find music to fit the event. Last year they played Oktoberfest selections, this year I'm sure they will be full of Mad Hatter surprises. Jeff and the Deck Chairs are always eager to perform in order to help us raise money to make this world a better place.
