

Huron Valley PACE®

Program of All-inclusive Care for the Elderly

Helping older adults live at home by providing
comprehensive health care in one place.

Medical Care

PACE coordinates all health care services. This includes primary care, specialists, medications, hospitalizations, medical equipment and more.

Day Center

The Day Center provides activities run by a Recreational Therapist. A continental breakfast, hot lunch, and snack are provided.

Transportation

PACE provides transportation to and from the Day Center. PACE partners with caregivers to provide transportation to outside medical appointments.

Therapy

PACE provides skilled physical, occupational and speech therapy as needed.

Caregiver Support

PACE Social Workers, and the PACE team, are resources to partner with those who care for older adults at home.

Home and Personal Care

We work with local Homecare agencies to provide chore services and personal care in the home as needed.
