Rotary: Be the Inspiration
2018-2019

Dear Friend of Rotary,

All year Rotarians are busy working on local and international projects and it is in February that we hold our main fundraiser, the **"Heart of Gold" Gala Dinner and Auction**, to support our year round efforts.

This year our club's projects include local youth scholarships and bursaries, our Rotary Youth Exchange and Youth leadership programs, the Hector MacIntosh Speech contest, a financial contribution to the Pregnancy Food Connection program, sponsoring children in the Dolly Parton Literacy program – Imagination Library and Polio Plus – We are This Close to Eradicating Polio campaign. On the international front our club is in the midst of funding a water supply enhancement project in Kenya. Locally, we are also actively investigating our participation in a couple of major projects in the Cowichan Valley. Visit our website to learn more.

We invite you to help **Rotary Be the Inspiration in our community** by supporting our annual event! Your support can come in different ways; whether it is an item you can donate for the auction, a monetary donation, or a gift of your service or your time, we ask that you do so, knowing that all money raised goes directly to our projects. Rotary members cover all club operating and administrative cost through their annual dues.

Your donation is very important but we would also invite you to join us for the **Gala Dinner Auction on Saturday, February 9th, 2019** and participate in the evening's events while celebrating the success of our projects. Tickets are \$75 and can be purchased from any Rotary Club of Duncan member.

We've been a very active club for over 80 years and, with your support, we're going to keep on with many more worthwhile projects and causes. It is only with your generosity and caring for the wellbeing of others that enables us to carry out our projects and continue to do Service Above Self.

Thank you for your continued support and consideration again this year.

Yours in Rotary,

Doyle Childs
