Rotary Connections the World
2019-2020

Dear Friend of Rotary,

All year Rotarians are busy working on local and international projects and it is in February that we hold our main fundraiser to support our year-round efforts, the **“Heart of Gold” Gala Dinner and Auction**.

This year our club’s projects include local youth scholarships and bursaries, our Rotary Youth Exchange and Youth leadership programs, the Hector MacIntosh Speech contest, continued support for the Pregnancy Food Connection program to provide healthy food for low-income families, sponsoring children in the Dolly Parton Literacy program – Imagination Library, a school water well project in Tanzania, and Rotary International’s Polio Plus – We are This Close to Eradicating Polio campaign. Please visit our [website](#) to learn more.

We invite you to help **Rotary Connect the World in our community** by supporting our annual event! Your support can come in different ways; whether it is an item you can donate for the auction, a monetary donation, or a gift of your service or your time, we ask that you do so, knowing that all money raised goes directly to our projects. Rotary members cover all club operating and administrative cost through their annual dues.

Your donation is very important and we would also invite you to join us for the **Gala Dinner Auction on Saturday, February 22nd, 2020 at The Ramada Inn** and participate in the evening’s events while celebrating the success of our projects. Tickets are \$100 and can be purchased from any Rotary Club of Duncan member. A tax receipt for a portion of the ticket price will be provided.

We’ve been a very active club for close to 90 years and, with your support, we’re going to keep on with many more worthwhile projects and causes. It is only with your generosity and caring for the wellbeing of others that enables us to carry out our projects and continue to do Service Above Self.

Thank you for your continued support and consideration again this year.

Yours in Rotary,
