## March in Review

March was a fun and active month for our Club. We helped out at the Rugby Club a few times, along with the usual Salvation Army Kitchen. Mark has been hard at work preparing the Mental Health Trail business, while Leanne has been gearing us up for the Earth Day clean up in April. We had a great array of speakers this month who all really enjoyed the atmosphere of our Club. We also had some fun on the social side of things, whether that be celebrating St. Patrick's Day at the Lantzville Legion, recognizing our amazing women in Rotary, or attending the North Club's fundraiser. Well done everyone and happy Spring!

Fact of  
the  
month:

“The **first Rotaract Club** was formed in Charlotte, North Carolina.”
