the
month:* “You must be the change you wish to see in the world.”

January in Review

Our Club was off and running on day one of this year, literally! We started off the year with our annual Golf by Donation Event at Fairwinds. It was a fun and very successful day! We also saw some very positive progress this month from Mark’s planning with Lantzville in regards to the Mental Health Trail. Our members this month have also navigated working through the Salvation Army’s temporary “Kitchen.” Members of our club were invited to the Cadet base for an appreciation open house event. Many of our club members also participated in our monthly social, the Longwood Pub and a Nanaimo Clippers game. It was great to get out and show our support. In other news, registration is open for the District Conference in May. It is always a fun time, just ask Michael and Lee! Just don’t ask them about the next day...
