## June in Review

Our 2022-2023 Rotary year is over and a new one has begun! We had an absolutely fantastic year with lots of activities and accomplishments. Everyone should give themselves a pat on the back.

June was a quick month for our Club. We had some great presentations - John Horn from the Connective Support Society (formerly John Howard Society) gave a very interesting speech; Lance Stephenson, a retired paramedic - whom is possibly the first ever person from Lantzville to partake in Tour de Rock; and we also had our Youth Protection training from the incomparable Joan Ryan. Starting off the month, our Club participated in Foam Fest and had a great time bringing in some revenue there. We also lent our BBQ out quite a bit for multiple community events. On the social end of things, we welcomed in a new board and Rotary year. Let's aim to make this our best year yet!
