February in Review

Another month, another amount of great fun and work for our club. We had several interesting presentations this month, from Robb Hunter of the Nanaimo Clippers, to Mark’s cool (and cold!) travels to the Artic (hope he read Prince Harry’s book before going hehe), and our usual information meeting. Our month was cut short by a surprise visit from old man winter, but that’s enough about Lee. Our Club also helped out at the Rugby Club, participated in the usual Salvation Army Breakfast Program, and walked in the Coldest Night of the Year. A great event where Rotarians were able to help out a lot!

*Fact of
the
month:*

"The world's first service club was founded on 23 February 1905 when lawyer Paul Harris and three friends met in a small office in downtown Chicago. They named their new club "Rotary" to describe the practice of meeting in rotation at the members' various places of business."

Service Above Self: Mother Teresa, 1910-1997

If we really want to love, if we really want to live, we must love until it hurts... No Rotarian whose motto is Service Above Self, I think, should call himself a Rotarian if he does not make time to serve... If we love, we begin to serve
