The Rotary Club of Lantzville

Quote of
the
month:

“Are all humans human, or are some humans more human than others?”
– Romeo Dallaire, former Canadian Senator.

April in Review

April showers bring May flowers? Maybe, but either way, we will do our best to bring some beauty into the world this month! Our Club had yet another busy month. We had a full array of guest speakers and volunteer work. We started the month by enjoying an update on Club activities and goals at the Information Meeting. We were visited by Dr. Pam Shaw from the Masters of Community Planning program who spoke to us about the UNESCO land near us and Terri Derksen from the Child and Youth Care program at VIU whom along with practicum student Jane Dean, are planning a fun event at Georgia Ave Elementary School. We were then pleased to meet the principal of Seaview and to reconnect with that school. On the volunteer side of things, we helped out at the Scout Camp again this month (oddly, no one wants to hire us to do their renovations!). We did our usual Salvation Army Breakfast Program and Rugby Club help. We also all had a blast with our annual Easter Egg Hunt! The rain may have forced us to relocate and redesign the hunt, but our “prayers” were answered when St. Philips by the Sea became available, a big thank you to them and Mark! Our Club also rocked it on Earth Day by picking up some trash - Leanne was an excellent captain this year! On the social side of things, we had some Easter drinks and got our critical thinking skills on by trying out the Exit Escape Room. Lastly, our Club was thrilled at the end of the March to have welcomed into this world one of our future members, Annike-Rose! Congratulations Rachel and Solly!

*Fact of
the
month:*

The **Rotary Club of Lantzville** was founded on June 24th, 1988. Stay tuned for 35th anniversary fun!
