# The Rotary Club of Lantzville

---

*Quote of  
the  
month:*

---

“What you do makes a difference, and you have to decide what kind of difference you want to make. The greatest danger to our future is apathy. You cannot get through a single day without having an impact on the world around you.”

– Dr. Jane Goodall

## April in Review

April saw another busy month for our club. Our joint fundraiser with the 257 Legion was a huge success that saw many happy customers. We did a little light volunteering at the Rugby Club and participated in the Earth Day Clean Up event. We had a walking social exploring where the mental fitness trail will be (along with a little pub visit). We also had a great array of speakers, including being the first club to receive the Fair Care Alliance presentation. Thanks to Joy and Dave for arranging and presenting.

*Fact of  
the  
month:*

Rotary Vision Statement: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

### Mens' Shed Shoutout

Organizer Kenn Hample said it was during a presentation to the Lantzville Rotary Club in late 2023 when the Connective Support Society of Nanaimo approached them. "As part of our presentation, we were kind of moaning and groaning that we didn't have a place where we could establish a shed and a physical space to call home. It turns out in the audience that day was the executive director of the Connective Society of Nanaimo, and he came up to us afterwards and says, 'fellas, I might just have an answer for you'."

**'We're hugely grateful:' Nanaimo Men's Shed group finds a place to call home**

NANAIMO – Less than a year after being formed a local men's group which brings men together in a positive and uplifting way finally has a permanent home.
