

# Rotary AUCTION & SPRING FAIR

Rotary  
Club of Sooke  
30  
YEARS

CANADA  
150+  
YEARS  
*Celebrate!*

**SATURDAY APRIL 29TH • LIVE AUCTION STARTS 6PM**

*A message from  
Rotary Club of  
Sooke President,  
John Topolniski*

## DEAR ROTARY SUPPORTER

*As the main theme for this year's auction, your local Rotary Club celebrates **30 years** in Sooke, **100 years** of the Rotary Foundation and of course, **150 years** since Canada came into existence - at least in European terms.*

This auction is the principal fund raising event for our club. It has grown into a full day of community activity, including an opportunity for local businesses and organizations to showcase their products and services, and the funds generated allow us to support many initiatives.

Last year, we were able to help John Muir School build an edible garden and teaching area. As well, we supported scholarships for graduating students from EMCS, sent three students to exciting programs in Prince George, Saskatoon and Powell River, supported literacy in our schools and community – and that was just locally! Internationally, we support a myriad of community based projects, and of course, Rotary International is partnered with the Gates foundation in the battle to eradicate Polio - and we are “This Close!”

We have entertainment scheduled for the entire day, great food vendors to fend off the munchies, an outdoor market, and then there's a free family swim to take part in.

We could not do this without our community and the tremendous support of our donors and businesses. I would like to thank each and every donor and business that is listed in this flyer. Because of their tremendous generosity we have over \$60,000 in donated items up for auction in either the silent, or the live event.

*Please take the time to look through this flyer  
and circle the items that interest you,  
then join us at **SEAPARC** on  
Saturday, April 29th to bid on these treasures.*
