*Twenty-six local nonprofits benefit from the club's 2018 Auction/Rummage Sale proceeds*

The Rotary Club of Bainbridge Island is pleased to announce that it is awarding its 2019 Community Grants. A total of 27 grants totaling \$152,654 will be awarded to 26 nonprofit organizations located on Bainbridge Island and North Kitsap County. Award checks are being presented to the grant recipients at regular Rotary Club meetings over a three-month period.

The Rotary Club of Bainbridge Island has a long and proud history of providing grants to support diverse community projects, dating back to the Club's founding in 1947. Members of the Rotary Club of Bainbridge Island are stewards of funds we raise at our yearly Rotary Auction & Rummage Sale. We strive to manage funds in an effective, appropriate, and timely manner, and to ensure that grant awards result in positive impacts in our community.

"We had a most successful Auction and Rummage sale last June and it's great to be able to give this much back to our community," said Community Grants Chair Angela Tinker. "It is always difficult to select our grant recipients from the long list of worthy applicants. This year 27 grants were awarded to wonderful nonprofits."
