Pianist George Winston to Perform on Bainbridge Island

GRAMMY award winning, multi-platinum pianist George Winston will make an extremely rare appearance at Bainbridge Performing Arts on Saturday, September 28, 2018. Proceeds from this very unique engagement will benefit the Rotary Club of Bainbridge Island's Scholarship Foundation which provides financial support to graduating high school seniors for exemplary community service.

Winston is best known for his melodic season's collection, "December," "Winter into Spring," "Summer," and "Autumn." During the evening Winston will also perform a variety of solo piano selections from his expansive catalog including the "Music of Vince Guaraldi."

"We are very fortunate to have secured a rare concert date with Mr. Winston. Customarily he performs in very large venues, so to capture a date and have him perform in a very small, intimate venue all while supporting Rotary's Scholarship Foundation is very exciting" stated the event producer and island Rotarian Mark W. Costa.

Costa added: "This event is sure to sell-out. Tickets go on sale Tuesday May, 15th through the Bainbridge Performing Arts Box Office. We suggest that you purchase your tickets very early to insure admittance into the show. It will no doubt be a spectacular evening."

For additional information on the concert or to purchase tickets visit BPA's website at: bainbridgeperformingarts.org. Alternatively you may also contact the box office at: 206.842.8569.

Since 1947, the Rotary Club of Bainbridge Island has convened under the motto “service above self” to help others, promote integrity, and advance local community and world understanding, goodwill, and peace through a fellowship of business, professional, and community leaders. Today the club is proud to have more than 115 active members, each working hard to make a difference in the world we share.

The Rotary Club of Bainbridge Island is part of Rotary District 5020, which includes Vancouver Island and Western Washington. Some of the club’s landmark local accomplishments include funding the construction of the Bainbridge Public Library, the Waypoint, Rotary Field, and other significant parks and recreational facilities.
