## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First** The development of acquaintance as an opportunity for service;
- Second** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third** The application of the ideal of service in each Rotarian's personal, business, and community life;
- Fourth** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

We miss seeing you! Is there anything that your Rotary Club of Kelso "family" can support you with (i.e. family changes, death of a loved one, illness or other health concerns, lost a job, other professional needs, etc.) or do you know of another Rotarian who may need help? We have a Club Care committee that would like to know and help.
