

May 29, 2020

After much thought and consideration, the North Mason Rotary Club has decided to cancel the 2020 Taste of Hood Canal event. Thank you, vendors, sponsors, and community members for making the Taste of Hood Canal such a fantastic event, year after year. We are grateful to you for your support and understanding during these uncertain times.

For many years, the Taste of Hood Canal has been the signature fundraiser for the North Mason Rotary Club. Funds raised each year have provided numerous scholarships to North Mason High School graduating seniors, food and hygiene items for the North Mason Giving Tree, funding for local community service programs, and worldwide humanitarian projects. Although there will be limited fundraising opportunities this year, we will continue our commitment of support here in North Mason and beyond.

We invite you to join North Mason Rotary's fundraising efforts by making a donation today. Your gift, big or small, will be used for the 2020 North Mason High School scholarships and to purchase food and hygiene items for the North Mason Giving Tree. **Together, we can make a great impact.**

Donations can be made on our website by selecting the "Support North Mason Rotary-Pay Now" link <https://portal.clubrunner.ca/715/Page/taste-of-hood-canal> or by mail at North Mason Rotary PO Box 321 Allyn, WA 98524.

We look forward to seeing you in 2021!

Sincere Thanks,

North Mason Rotary Club
