### **SUBJECT: Billing for Paul Harris Sustaining Membership**

Please add \$ \_\_\_\_\_ to my bill each quarterly billing for a total annual contribution of \$ \_\_\_\_\_. This amount is to be added to my Rotary International Foundation Sustaining Member account. If the billing periodicity is altered, I agree that the Treasurer may add a prorated amount of my annual contribution for that billing cycle. I understand that I can discontinue this automatic contribution at any time.

### **Notes:**

- Pledging \$100/yr (on a continuing basis) qualifies as a Foundation Sustaining Member (which is our club's goal for every member).
- When a cumulative gift to Rotary Foundation reaches \$1,000, the donor receives the Paul Harris Award.
- Any Rotarian who contributes \$1,000 in a given year becomes a member of the Paul Harris Society (separate lapel pin) for the year following the contribution.
- At each \$1,000 increment of cumulative giving, a multiple Paul Harris Award is given or the points (\$1 equals 1 point) can be used towards a Paul Harris Award for some other deserving individual.
- Poulsbo – North Kitsap Rotary Club will contribute 100 points (from points awarded for contributions from the Club to the RI Foundation) towards the first \$100 that a new contributor donates.
