Dinner & Auction Fundraiser

**PLEASE JOIN US FOR THE
TACOMA SUNRISE ROTARY DINNER & AUCTION**

Proceeds from this event support Tacoma Sunrise Rotary's programs for under-represented and at-risk youth from Tacoma.

A VERY SPECIAL “RAISE-THE-PADDLE”

Tacoma Sunrise Rotary partners with Palmer Scholars of Tacoma to administer the Palmer Sunrise Rotary Challenge Scholarship. This Scholarship provides several Lincoln High School students with college scholarships that can last for up to four years. These inspiring students have often faced major obstacles including poverty, homelessness, and the lack of consistent support from a caring adult. Palmer and members of Sunrise Rotary work side by side with the Scholars to maximize their potential for college success. Each Scholar works with a trained adult mentor who provides encouragement, advice, inspiration and companionship through their pre-college and college years.

Help us change the trajectory of these Scholars and their families by giving them the opportunity to earn a post-secondary degree. Please be generous during our Raise-the-Paddle.

All proceeds from the “Raise-the-Paddle will go to support this program!
