## President's Corner:

I'd like to thank everyone for all the hard work that went into making the Pedal the Pinchot a success again this year. The ride is a lot of fun for a lot of folks and is a major part of our club's fundraising program.

Each Rotary club is a small but important cornerstone in the good works of Rotary International. It may not seem like we as individuals or as one club contribute much to noble projects like Polio Plus, but we do. Every bit counts.

We are working on the changes and concerns that have been brought up recently. Please feel free to give voice to any additional issues.

Thanks again for all your hard work and support,  
 --- Donnalee Roy

## Pedal the Pinchot

Dave Ripp reports that the Pedal the Pinchot was a success this year. We had 244 riders registered. Although the numbers aren't in yet for this year, PTP has brought in six to eight thousand dollars for the club in years past. Next year's ride is scheduled for July 17<sup>th</sup>.
