## A Visit from our District Governor

We were so fortunate to have a visit from our District governor John Berry and his wife Pat. In case you missed it, here is a short bio from John.

John Berry has been a member of the New Westminster Rotary Club since 1987, where he's served three times as Club President. He's been active in many avenues of service in Rotary at club and District levels, especially in youth programs and supporting The Rotary Foundation. His career included 40 years in the federal public service, mostly as a BC Regional Director in Agriculture. His volunteer experience outside Rotary is also extensive; he's current President of Baseball BC and Chair of Burnaby District Youth Soccer Association and has been on the Board of a Hospital Foundation. In December of 2019 John was proclaimed District Governor for District 5040.
