On behalf of the Barkerville Heritage Trust I would like to thank the *Rotary Club of Quesnel* for your generous donation of \$5,000.00 towards the Barkerville Schoolhouse Reconstruction project. All of us at Barkerville are very excited to partner with the *Rotary Club of Quesnel* to complete this very important project. As you know your contribution provides the last dollars in and will help us to complete the Schoolhouse in time for a spring 2015 opening, having a direct impact on the Quesnel community through students that visit the town-site on educational field trips and families and others visitors throughout the year.

I understand that you are working with Crystal Bunting, Resource Development, to arrange the details of the cheque presentation for Sept 10<sup>th</sup>. John Massier, Chair, and I look forward to welcoming your fellow Rotarians to the town-site for this and a photo.

Thank you again for this wonderful support.

Yours Sincerely,

Ed Coleman

### BARKERVILLE SCHOOL RECONSTRUCTION

The Barkerville Heritage Trust is pleased to be constructing a replica of the historic school that stood on this site and burned to the ground in 1946. Thanks to the generous support of our forest and construction industry and educational partners, this building will be ready to house our elementary school programs, academic seminars and other events by 2014.
