

21st April 2011

Correlieu School Breakfast Programme

From right to left, 2010-11 Club President John Havens presents our cheque for \$3,000 to June Pearson, Ralph Weaver, and Principal Mike Adams of Correlieu School on behalf of Quesnel Partnership for Student Nutrition.

QPSN is serving over 100 pupils a day and the donation has purchased and installed a suitable stove.

Unsure of the impact or the need? Read below!

This donation was made possible by Direct Access Gaming Grant funding from BC Gaming Policy and Enforcement

Dr John Havens
Club President
Rotary Club of Quesnel

Dear John

Please accept this letter as thank you for the generous Rotary Club donation to our Breakfast Club. Breakfast Clubs of Canada need community partners in order to provide free breakfasts to students. Your donation has allowed us to better service our students.

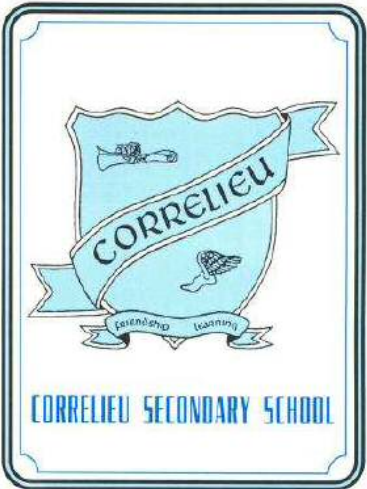

Through your donation we have been able to purchase and install a much needed stove. The stove has provided us with more options in feeding breakfast to well over 100 students daily. Our students have really enjoyed the variety we are now able to provide.

Please find included some pictures taken the first day of stove operation. Please note our student volunteers who support the program daily. We train these students in Food Safe and, through volunteering, they learn the benefit of service. Please also note the line up out the door. This is line up occurs daily, further proof of the wonderful service we provide with help for our community partners such as The Rotary Club.

Thank you again

Sincerely

Michael J. Adams
Principal

Rotary Club
of Quesnel
Thank you!
R. Weaver

Thank you
so much
June Pearson

On behalf of the staff,
volunteers and students,
we would like to say
Thank you, for all your
generous support
towards the Correlieu
Breakfast Club.
Thanks to you, over
10,000 breakfast
servings were provided
for the 2010-11 school
year here at C.S.S.
