## **LETTER OF APPRECIATION**

Dear Richmond Rotary Club Foundation – District 5040,

We, the Union Unifor Local 111 and bus drivers from Richmond Transit Centre, would like to express our deepest gratitude and appreciation to you and your company for donating 1,800 one-time use face masks to us.

COVID-19 has affected our country and our province in an unprecedented way and we, as bus drivers doing our best to safely transport our essential workers and others to their destinations, which might be their workplace to help others, or going home from work, after helping others.

These masks, which you have donated to us so generously, will help us to stay safe and in turn keep our passengers safe from COVID-19 or other infections, and carry on being on the road when the public and essential workers need transporting.

Our Richmond Transit Centre will be passing on a quantity of these masks to Surrey, our sister Transit Centre, trying to keep those operators safe and healthy too. Upon receiving any more donations, we will be forwarding some to the rest of our Transit Centres.

Our Union Local 111 and all bus drivers at Richmond Transit Centre, therefore, wish to reiterate our gratitude and appreciation for your kindness in remembering us during these difficult times, and for your kind donation. We would be grateful for any further donations, if possible.

In solidarity,

Abbas Mohajer,  
Unifor Local 111  
RTC Property Representative
