Rotary Club of the Year

Be Part of "The Unforgettable Test of Metal Day" June 20th, 2009

The 2009 Test of Metal registration has SOLD OUT but don't despair as you too can be part of the unforgettable day by participating in "The Linda Carney Rotary Cares Celebrity Challenge." It is a great way to get some exercise, have some friendly competition with friends or family members and support the Linda Carney Rotary Care Foundation. All the pledge money raised for the Foundation stays here in Squamish to help our citizens.

The "Celebrity Challenge" is in honour of Past President Linda Carney. The Linda Carney Rotary Care Foundation was developed to assist people with medical needs not covered by conventional medical funding. In the past, the foundation has funded wheelchairs, motorized scooters, special medications, glasses, dental work, and even renovations to make a home wheel chair accessible. More than \$200,000 has been distributed to needy members of the community in the past 11 years.

Get your pledge form for the "Celebrity Challenge", fill it up with sponsors for this great fundraiser, mark June 20th on your calendar and be at Brennan Park Recreation Centre at 11:00 am. Once the Test of Metal racers have left and the all clear signal is given the "Celebrity Challenge" starts. The "Celebrity Challenge" follows the same route up Skyline as the Test of Metal riders but the finish line is the end of Perth. Enjoy the locals cheering you on as you pass Test of Metal riders up Skyline. Yes that does happen!

If you and your friends or family are active bike riders join in this memorable day and as well support your local community.

Printable pledge form: Squamish Rotary Website www.squamishrotary.com. Pledge form is on the website; bottom right; go to "Downloads." You will see the "Linda Carney Rotary Cares Celebrity Challenge Pledge Form. Pledge forms are also available from Rotarian members or contact Lino Vanzella, Rotary Race Organizer at 604-898-3866.

See you and your pledges at our registration desk at Brennan Park Recreation Center on Race Day.
