

GOLD FOR SQUAMISH

Rotary Club of Squamish
2007/2008 District
Rotary Club of the Year

“GOLD” for 37 special volunteers during the Olympics!!!

These 37 volunteers volunteered their time for a company called “Clean Event”, who was contracted for the cleaning services at the Mountain Olympic Venues. Our special volunteers were seen at Whistler Olympic Park, Creekside and The Athletes Village.

“Clean Event Services” visited Squamish Rotary and put forth a proposal. They were looking for staff that would be paid for cleaning services during the Olympics. People would volunteer to work for “Clean Event” and in exchange for their volunteer work hours Squamish Rotary would receive their payment to put back into service projects that Squamish Rotary so freely gives back to Squamish.

Seventeen Rotarians and twenty friends and family stepped up to volunteer their time, a total of 37 volunteers. Hopefully the 20 family and friends continue to be friends after the experience.

Gold for Squamish and Rotary and because of the generosity of these 37 volunteers just over \$10,000 was raised, as a well as Olympic memories and stories that will be retold time and time again.

“Clean Event” will be at the Rotary weekly meeting at Howe Sound on March 25th to officially present the cheque to Squamish Rotary.

**THANKS TO “CLEAN EVENT” FOR MAKING THIS HAPPEN
&
A BIG GOLD THANK YOU TO ALL VOLUNTEERS
FROM “THE SQUAMISH ROTARY”
YOU MADE IT HAPPEN!**
