

The background of the slide is a dark gray surface with a network of thin, light gray lines connecting various white, stylized human figures. These figures are positioned at the nodes of the network, creating a web-like pattern that suggests social connectivity. The figures are simple, three-dimensional looking icons of people in various poses.

Early Bird Advantage: Register to enjoy reduced pricing. It's your opportunity to be part of something monumental while saving on your entry.

🌟 Reminder: Along with grabbing your Early Bird tickets, remember each rider's pledge to raise a minimum of \$300. These pledges are crucial in supporting the life-changing work for those experiencing hearing loss. The individual or corporate team who raise the most funds get a prize!

A close-up photograph of four hands of different skin tones (light, medium, and dark) all giving a thumbs-up gesture. The hands are positioned in a cluster, with the thumbs pointing upwards. The background is a blurred indoor setting with soft lighting. The person on the right is wearing a blue and white striped shirt cuff.
