

ROTARY CLUB OF VANCOUVER
ELEVATOR SPEECH
April 10, 2017

WHAT IS THE ROTARY CLUB OF VANCOUVER?

The Rotary Club of Vancouver consists of men and women who are business and community leaders. Its members come from diverse backgrounds in business and in community affairs. They are committed to “giving back” by contributing solutions to many social and community needs, locally and internationally.

The Rotary Club meets at the Terminal City Club in downtown Vancouver every Tuesday for lunch and

- to share fun and the friendship of persons from many different walks of life;
- to share ideas and information pertaining to business, the professions and community needs;
- to plan our Rotary Club’s upcoming humanitarian service projects; and
- to experience an interesting program which usually includes a guest speaker on a current business or a humanitarian topic.

Please check out our website for details of the Rotary Club’s charitable projects, its other activities and the “Four Way Test” to which all Rotarians subscribe. The address of the website is www.rotaryvan.org.

We would love to have you join us for lunch so you can experience Rotary for yourself, first hand. Here’s my card. Please call me so we can make the arrangements.
