Visitors are always welcome.

Thanks to Rotary and its partners, the number of polio cases has been slashed by more than 99 percent, preventing five million instances of childhood paralysis and 250,000 deaths. When Rotary began its eradication work, polio infected more than 350,000 children annually. In 2007, fewer than 2,000 cases were reported worldwide.

THE FOUR-WAY TEST

Of the things we think, say and do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

WHO WE ARE

Rotary International, the world's oldest service club organization, is made up of some 1.2 million members in 33,000 clubs in more than 200 countries. Its members form a global network of dedicated business and professional people who provide humanitarian service, encourage high standards in all vocations, and help to build goodwill and peace in the world.

Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs meet weekly and are open to all cultures, races and creeds.

The main objective of Rotary is service in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address today's most critical issues, such as youth at risk, poverty, hunger, isolation, illiteracy, environment, and violence as well as promoting programs for youth leadership and world peace.

Getting involved with Rotary gives you the opportunity to make a difference, meet new friends, and have fun. We'd be delighted to have you attend a meeting to learn more about Rotary. Please contact our President or any Rotary member.
