COMMUNITY SERVICE PROJECT FUNDING APPLICATION CRITERIA

The Rotary Club of Langley Sunrise is an organization of community members who raise funds through fundraising efforts involving their membership to assist with funding community projects and services. The Club is interested in funding those groups who help themselves and who demonstrate sound planning, administration and fiscal practices.

The following Guidelines apply for funding projects:

- a) Projects must be consistent with the objects of Rotary.
- b) Projects funded by the Rotary Club of Langley Sunrise must benefit a significant number of citizens or the Langley community at large, with preference given to those projects which benefit the residents in north Langley geographic area.
- c) Priority will be given to one-time funding applications, unless the Club has adopted a project for specific reasons as a worthwhile ongoing commitment.
- d) Projects that normally would be funded through other sources, ie. governments, School Districts, etc. will only be considered if funded in co-operation with other funding sources or matching Grants.
- e) Sub-groups, departments of large organizations and individual schools must direct their funding applications through their parent organization, rather than as individuals, for consideration.
- f) Projects which promote actual hands-on service by Rotary Club members will be encouraged.

The Rotary Club of Langley Sunrise will not fund:

- Annual campaigns or appeals for fundraising
- Support for ongoing operations
- Reduction of debts
- Sales ventures
